ALMERIMAR

— SPAIN —

Tourist Aparaments

Almerimar is one of the most important and beautiful turist complexes in Andalusia and it has an infrastructure that it is adapted to all the turistic services that this paradise can offer you.

This complex, that has 48 astonishing apartments is located in the seaport of Almerimar (Almería) that offers you breathtaking views that will make you want to come back. The apartments are bright and cozy with modern decor, air conditioning, 2 terrace pools overlooking the seaport that has a capacity of 1.100 bearth, for boats up to 60 meters in lenght. The apartments are located a few meters from the central area of Almerimar and the golf course.

Due to its good weather conditions, Almerimar is the perfect place for outdoor activities, being the sunniest place in Europe and you can enjoy mild temperatures almost all year round. During the winter the sea temperature does not fall below 15°C, while in summer it remains above 20°C, a very pleasant temperature. The main beaches are awarded with the Blue Flag and “Q” from quality, in addition to the virgin beaches of Punta Entinas Natural Park.
